Meg, BASF agrees with the comments submitted by Bayer.

Thanks,
Jeff

registrations currently being considered by the Agency for use on dicamba-tolerant cotton and soybeans.
Concurrence is requested by noon tomorrow (Friday, October 23).
>
> EPA notes that the total number of counties with restrictions is 289. This is one county greater than
previously noted because Palm Beach county, FL was inadvertently left off of the previous counts (it was
included in 2018). Palm Beach county has minimal acreage of cotton grown, but it does include possible
overlap with a listed species that could be affected.
